

Amber is a Level 1 SkateIA instructor with a passion for wheels. The founder of Kelowna Bladers, Amber is a driving force behind the Okanagan blading community, bringing people together with positivity and encouragement no matter the skill level. Breaking down skills in a simple and easy to understand way comes naturally for Amber so the level up to instructor was a natural step. A fun fact is that she was Roll Mates first adult student and we are beyond proud at how far she has progressed with dedication and hard work.

Specializing in inline skating, Amber focuses on Learn to Skate as well as other specialized inline classes. Her favourite skating styles are wizard, freestyle and slalom.
